

Hergom Manchester Ivory Enamelled Traditional Freestanding Wood Stove

<https://www.calonyradref.co.uk/hergom-manchester-traditional-ivory-enamelled-cast-iron-stove>

The Ivory enamelled Manchester is the epitome of class. The high gloss finish really exaggerates the crisp, clean lines of this stoves distinguished, cast iron body, as well as providing the stove with a shine that emphasises the intricate design embossed on the sides. The Ivory Manchester quite simply looks exquisite.

The beautifully crafted door offers a fantastic view of the fire, and when combined with this stoves 12.6kW heat output, it creates a warming ambience that will be felt throughout even large rooms. No compromises were made with this stove; from the robust, cast iron construction to the advanced, double combustion technology. A convenient side loading door, soapstone-lined firebox and rear heat shield complete this stove, making the Manchester a stylish and versatile addition to any home.
