

Clock Sudbury Wood Burning Stove

<https://www.calonyradref.co.uk/clock-sudbury-woodburner-stove>

Made in Britain, this 5kW wood burning stove combines outstanding performance with an elegant and more simplified design.

Safety Distances			
Material	Above	Sides	Rear
Combustible	375mm	500mm	500mm
Non-Combustible	250mm	100mm	100mm

With an impressive heat output range of 3kW to 7kW, there's certainly no compromise on performance! Plus, as with the whole Clock range, you can add that splash of colour with a beautiful array of finishes to choose from.

With the optional heat shield fitted the rear distance to combustibles is only 200mm on these stoves.
