The Westfire Uniq 36 compact stove is a very beautiful stove and sits lower than the full height log-store or pedestal versions available. The stove saves space as well providing a very eye-catching piece of design in your room. The Uniq 36 is an efficient clean burning stove with a large viewing window capable of brightening up a dull winters evening!

This stove is tested to the latest Danish standards and is also compliant with the upcoming 2022 ECO-DESIGN standard. Designed to burn wood it is beautiful addition to the Westfire range.

Please note, if you require the external air feed kit, you must choose a closed-combustion stove version (CC or CC SE).
