

Hunter Herald 5 Eco Wood Burning Stove

<https://www.calonyradref.co.uk/hunter-herald-5-eco-wood-burning-stove>

This Eco Design 2022 ready stove displays a large viewing window, through which you can see the wood burning beautifully and effortlessly. The results – a warm orange glow across the whole bed of the firebox.

Choose the Herald 5 for its efficiency, you get the same extensive heat output but fewer logs are needed, plus this stove offers an internal riddling de-ashing grate and ashpan as standard.

The Herald 5 not only offers superb controllability, its traditional design with a contemporary twist also means it will be a prominent feature in any space.
