Supplied with the multi-fuel grate for burning approved solid fuels, the Parkray Aspect 5 Eco wood burning stove becomes a full multifuel burner – a sleek, compact and efficient stove perfect for modern living spaces. Our Aspect 5 log burner delivers a nominal heat output of 5 kW, but can effortlessly reach a maximum of 7 kW or be adjusted down to 4 kW to suit your needs.

We take pride in our commitment to the environment. Our eco-conscious wood burner boasts a remarkably low CO emission rate of 0.17%, adheres to Ecodesign and DEFRA regulations, and is suitable for installation in smoke-controlled areas.

Customise your Aspect 5 Eco to match your home's aesthetic by choosing either a stainless steel or black door handle. Additionally, you have the option to enhance its capabilities with a multi-fuel kit.
