Di Lusso R5 Euro Eco Wood Burning Stove with Curved Stainless Steel Sides: A Fusion of Style, Efficiency, and Versatility for Your Home

Discover the Di Lusso R5 Euro Eco, a chic wood burning stove that gracefully integrates into any living space. With curved stainless steel sides, this model exudes a modern flair while offering a wide range of features to elevate your home's ambiance and style.

Key Highlights:

- **Large Viewing Window:** Experience the enchanting flames with a clear view, thanks to the efficient airwash system that maintains pristine glass.
- **Elegant Log Store:** A functional and visually attractive storage solution for your logs.
- **Flame Blade Technology:** Incorporates a fourth air stream into the firebox, ensuring more thorough combustion, minimized smoke, and lower emissions, even at lower temperatures.
- **Dynamic Control System:** Gain full control over the stove's temperature output, with the ability to increase or decrease the heat output from 3kW to 13kW by simply twisting a dial.

- Customizable Finish: Tailor the stove to suit your decor with curved side panel options in black or stainless steel.
- Multi-Fuel Compatibility: Effortlessly convert the R5 Euro Eco to a multifuel model if desired.
