Available in an 8kW and a 6kW model, this is the more punchy 8kW version of the Salisbury 8 by Chesneys.

The reliability and efficiency of the Salisbury 8 6kW stove is reflected in its robust and uncluttered appearance.

The Salisbury 8 Series stoves are very much in the style of traditional wood burning stoves, with a certain cleanliness to the design which is more indicative of a modern stove.

As with all stoves in Chesneys' collection, it has a solid cast iron door housing a large glass window that allows the fire to be enjoyed in all its warmth and beauty.

The stove is DEFRA exempt for use in smoke control areas and also exceeds eco-design 2022 requirements.
