

Chesneys Shoreditch 4WS MK3 Wood Burning Stove

<https://www.calonyradref.co.uk/chesneys-shoreditch-eco-4kw-wood-burning-stove>

Still boasting its contemporary clean lines with that classic touch of traditional elegance; this is the MK3 revision of the Chesney's Shoreditch 4WS wood burning stove - a stunning centrepiece and a highly functional and controllable stove, offering a **2.5 - 5kW output** with **over 85% efficiency!**

The Shoreditch 4WS MK3 **exceeds the requirements of EcoDesign 2022**, and also **surpasses DEFRA requirements** by a long stretch, producing just one tenth of the permissible emissions limit under DEFRA exemption. This means these stoves can not only be used all across the UK even in major towns and cities with smoke control zones in place, but are also an environmentally conscious choice above and beyond the required standards, which is something we can all feel good about!

Also available in larger output models - see related products below.
