The Shoreditch LS 4kW Eco 2022 wood burning stove is somewhat of a modern classic with its clean lines and classic styling, set on a contemporary log store.

Its integrated log store provides an attractive and heat efficient focal point to a room.

DEFRA exemption allows for use in smoke control areas which means it can be safely and legally used to burn logs in all major cities and towns throughout the UK, and exceeds Eco Design 2022 requirements.
