Chesneys Shoreditch XLS 4kW ECO Wood Stove on Large Log Store

https://www.calonyradref.co.uk/chesneys-shoreditch-xls-4kw-wood-burning-stove-on-tall-log-store

The Shoreditch XLS 4kW is the extra tall log store version of the much loved Shoreditch wood stove by Chesneys. This range is somewhat of a modern classic with its clean lines and classic styling, set on a contemporary log store which in this case is given extra height over the standard log store model.

Its integrated log store provides an attractive and heat efficient focal point to a room.

DEFRA exemption allows for use in smoke control areas which means it can be safely and legally used to burn logs in all major cities and towns throughout the UK, and exceeds Eco Design 2022 requirements.
