

Dean Forge Huccaby 5 Eco Wood & Multifuel Stove

<https://www.calonyradref.co.uk/dean-forge-huccaby-5-eco-wood-multifuel-stove>

The Huccaby Eco is a 5kw wood burning or multi-fuel stove and part of the Dartmoor Eco Range, named after a local beauty spot in the Dartmoor National Park.

The Huccaby Eco offers the advantages of an elevated 5kw stove with solid, elegant legs.

In addition The Huccaby Eco wood burning stove has been developed to allow a distance to combustibles of only 50mm to the rear when fitted with a double rear heat shield and twin wall flue. An ideal choice for smaller rooms with larger fireplaces.
