The Tenbury T400 ECO insert is the perfect solution for enjoying real stove ambience in a standard 16" fireplace opening, and offers exceptional value for money.

Featuring attractive, contemporary styling with the option of either a three or four sided frame to suit your installation. The Tenbury T400 ECO can take logs up to 25cm long or approved solid fuel / smokeless fuel.

A powerful airwash helps to keep the glass clear giving you a stunning view of the flames.

As a DEFRA exempt appliance, the Tenbury T400 ECO can be used to burn wood in smoke controlled areas making this a very versatile solution to room heating.
