Featuring a whopping 4.0 - 9.5kw output range with further improved efficiency and even lower emissions, this is the MK3 version of the Beaumont 8WS series by Chesneys - an elegantly designed and sophisticated stove, complimenting even the most luxurious of home interiors.

Its design includes swept cabriole legs and a corniced top section, uniquely classical features that are not found on other stoves but combined, creates a truly wonderful result which lends itself beautifully to so many different settings.

The Beaumont 8WS MK3 is also **DEFRA exempt** for use in smoke control areas which means it can be safely and legally used to burn logs in all major cities and towns throughout the UK. It also **exceeds Eco Design 2022 requirements**.
