

[SALE] Hergom Craftsbury Traditional Freestanding Wood Stove

<https://www.calonyradref.co.uk/discount-clearance-sale-hergom-craftsbury>

The Craftsbury in matt black is a sophisticated, free-standing, cast iron stove with intricately embossed side panels.

This traditional stove is classic in design but features highly efficient combustion technology and is now **EcoDesign** Compliant. The Craftsbury would look at home in a traditional setting as well as a modern environment, and with a 7.5kW heat output it would make its presence felt in larger rooms.

- Made from Cast Iron
