Introducing the Henley Hazelwood DS - a much welcomed new addition to the Henley Stoves Range.

Lots of Research and Development has gone into the Hazelwood range as Henley strive to bring out modern, innovative and Environmentally friendly products.

Very large viewing glass which has the feel of a open fire but with all the benefits of a fuel efficient stove.

2022 Eco Design Ready

Ecodesign is a new European wide programme to lower emissions and improve air quality. Ecodesign Ready stoves are the most environmentally friendly stoves available today and benefit from Low particle emissions. 90% better than open fires and 80- 84% better than older stoves.

5 Year Warranty

1 Year standard manufacturers warranty as in accordance with EU regulations. 2 Year

standard Henley warranty, 2 years extended warranty will be added if the stove warranty is registered Online within the first 3 months of purchase of your new Henley room heater stove.

Defra Exempt

DEFRA exempt and has been fully tested to this standard. A Defra exempt stove can be used in a Smoke Control Area whereas a non-DEFRA stove cannot.

External Air

The stove has an external air facility allowing the air to come directly from outside your building rather than through a vent in the room. This is required for heat recovery systems in new build projects.

Clean Burn

This advanced unit features a territory air system, which creates a clean-burn system where hot air is pushed into the firebox above the normal height of the fire. This allows the excess gases to combust given a cleaner burn

Air-Wash

All Henley stoves come with an air wash system which helps to keep the glass clean. It uses a specially placed vent or vents to draw in air from the outside which will wash over the front of the glass.
