Prostyle fires have screen-printed glass that conceals the metal frames. The Prostyle 550 is the ideal size for a brick chimney. It can be used as a hole in the wall wood fire. It can also be combined with a standard or panoramic frame or even with a classic fire surround and hearth to create a traditional fireplace.

This stylish insert wood fire is available with a selection of frames, including: Classic Line, Modern Line or Slim line.

Optional external air feed kit available.
