Designed with style, efficiency and ease of use and meticulously crafted. That is the Dik Geurts Odin.

Its distinctive circular design not only makes it a real eye catcher, but its shape also generates fabulous flame patterns. Flames which are easy to control, with just one unique air slider that is exclusive to Dik Geurts.

This tunnel model has viewing panes both sides for a see-through 'tunnel' of your live wood fire, beautifully suspended without any base or wall mounting.

Optional external air feed kit available.
